Capabilities Statement

At Representing Associated Food Equipment & Supplies, we offer any and all commercial-grade kitchen equipment and appliances. We also have a team of competent and skilled installers, technicians, and designers that make the delivery and installation of equipment a quick and painless process.

At Representing Associated Food Equipment & Supplies, also known as AFESCO, we specialize in supplying and servicing equipment for foodservice establishments. We offer a wide range of products, including cooking, beverage, bar, and dining equipment, as well as kitchen furnishings and refrigeration services. The company is committed to providing excellent customer service and support, including the availability of replacement parts and shipping for in-stock items within 24 hours.
